

Nehemiah

rise & build influence INITIATIVE

CHRISTIAN LEADERSHIP DEVELOPMENT

“From the inception of this organization, this desire to invest in Christian leaders has been part of the DNA.”

~ Amy Willmann, Nehemiah Executive Director

Healthy leaders are essential to a strong community, especially in the midst of transformative change. Today's Christian and civic leaders are under more pressure and scrutiny than ever before. Through this initiative, Nehemiah is building a safe place where leaders can learn, share, innovate and be supported in impactful ways.

FOUR ONGOING ACTIVITIES ARE THE HALLMARK OF THIS INITIATIVE:

- **Ministry Partner Grant Program**
- **S.O.U.L. Talk Podcast**
- **Leadership Coaching**
- **New Ministry LaunchPad**

CHRISTIAN LEADERSHIP DEVELOPMENT

This initiative pathway includes four key components to Christian Leadership development:

Ministry Partner Grant Program

A refreshed grant program designed to increase capacity-building opportunities within ministries.

S.O.U.L. Talk Podcast

Audible wisdom for faith-leaders to invest in “hope worth spreading.”

Leadership Coaching

Cultivating transformational leadership practices and support for faith-leaders to invest in untapped potential.

New Ministry LaunchPad

Nurturing innovative Kingdom-building ideas and supporting new ministries as partners while they venture into strategic mission fields.

Celebrating Civic and Ministry Leaders

We strive to honor civic and church leaders who positively impact Clark County through presenting awards at various events, such as our annual Leadership Breakfast, to recognize their efforts and inspire further change.
